We need help giving our "Crawdada" mascot a name!

And to give us some name ideas, we decided to have a "Name the Crawdad" contest. To be eligible for the contest here is all you need to do:

1. Briefly tell us why you chose this name and tell us why you think it is important to be as environmentally friendly as you can be!
2. Let us know that you are going to participate by filling in the online form and we will add your name to our "I Need A Name" list.

Above all, be creative and have fun!

Remember....It all adds up to cleaner air and water.

Remember, only Rain in the Drain!
