

Northwestern Indiana Regional Planning Commission

Invites you to attend

Project WET Healthy Water Healthy People Educator Training

Friday September 15, 2006 from 9:00 am until 3:00 pm

at the Indiana Dunes State Park Nature Center

Healthy Water Healthy People is a curriculum from the developers of Project WET focused on raising awareness and understanding about water quality and its relationship to personal, public, and environmental health. This FREE workshop will help regional educators address science and health standards through interactive activities that interpret water quality concepts and promote diverse learning styles with foundations in the scientific method. Attendees will also receive a curriculum guide and educational materials packets.

Please register by September 8, 2006

Contact Mary Beth Wiseman, Environmental Planner, mwiseman@nirpc.org for more information or email fmixon@nirpc.org to register for the workshop.

Attendance is limited to the first 30 registrants.

Special thanks to sponsors

Lawson-Fisher Associates & Christopher Burke Engineering, Ltd.

For providing funding for educational packets and lunches.
