	Field Name	Response	Instructions
1	Project Name	Completing the Vision: The Marquette Greenway	Enter a <b>concise</b> descriptive <b>title</b> for the project. This will need to be the same title used in the Grants.gov SF-424 submission, as well as the application narrative.
2	Project Description	The project will build 30 miles of new trail to complete the Marquette Greenway between Chicago, IL and New Buffalo, MI. The trail will traverse a total of 58-miles through three states.	Describe the project in plain English terms that would be generally understood by the public, using <b>no more than 100 words</b> . For example, "The project will replace the existing bridge over the W river on Interstate-X between the cities of Y and Z" or "the BUILD Grant will fund construction activities for streetcar service from location X to location Y." Please <b>do not</b> describe the project's benefits, background, or alignment with the selection criteria in this description field.
3	Urban/Rural	Urban	Identify whether the project is located in a rural or Urbanized Area (UA), using the drop-down menu, according to the 2010 Census Urban Area designation. Updated lists of UAs are available on the Census Bureau website at <a href="http://www2.census.gov/geo/maps/dc10map/UAUC_RefMap/ua/">http://www2.census.gov/geo/maps/dc10map/UAUC_RefMap/ua/</a> . Urban Clusters (UCs) are rural areas for the purposes of the BUILD Discretionary Grants program. For more information on urban and rural designations, refer to Section C.3.ii of the Notice of Funding Opportunity for the BUILD Discretionary Grants program.
4	Urbanized Area	Chicago IL-IN MSA, and Niles-Benton Harbor MSA	If you have identified the project as located in a 2010 Census designated Urbanized Area, please provide the name of the Urbanized Area. If you have identified the project as located in a rural area, please type "N/A."
5	Project Type	Road - Trail	Identify the "Primary" and "Secondary" project type combination that <b>most closely aligns with your project</b> from the choices in the drop-down menu. See the "Project Types" tab in this file for further information and project type definitions. <b>If the drop-down does not appear, please type in your "Primary" project type.</b>
6	Primary Project Location Zip Code	46368	Identify the <b>5-digit zip code of the project location</b> . If the project is located in multiple zip codes, please identify the most centrally located zip code.
7	Project Previously Submitted?	Yes - Once	Identify whether the project was submitted in a prior BUILD/TIGER round, and if so, whether it was submitted more than once, using the drop-down menu.
8	Prior BUILD/TIGER Funds Awarded to Project?	No	Identify <b>whether the project has previously received BUILD/TIGER funding</b> , and if so, whether that funding was through a planning or capital grant, using the drop-down menu.
9	Is this part of a Program of Projects?	No	Identify whether the project is part of a Program of Projects. A program of projects consists of independent projects that address the same transportation challenge and whose combined benefits, including funding efficiency, are greater than if the projects are completed individually. Only applicants that generate additional non-Federal revenue as described in Section E.1.i.h. of the Notice of Funding Opportunity for the BUILD Discretionary Grants program may submit applications as part of a Program of Projects. For additional information on Program of Projects eligibility, refer to Section C.3.v. of the Notice of Funding Opportunity for the BUILD Discretionary Grants program.
10	How many applications are a part of this Program of Projects?		If this is a part of a Program of Projects, enter the total number of BUILD applications that will be submitted as part of this Program of Projects, including this one. Leave blank if this application is not part of a Program of Projects.
11	Program of Projects Name		If this is a part of a Program of Projects, enter a <b>concise</b> descriptive <b>title</b> for the <b>Program</b> . This should be different than the Project Name above and will need to be the same title used across all projects within this Program of Projects. Leave blank if this application is not part of a Program of Projects.
12	BUILD Request	\$23,006,680	Enter the total amount of funds requested for this project from BUILD in this application. [Maximum entry \$25,000,000. There is no minimum entry for projects applying strictly for a planning grant; however, for any applications resulting in the completion of construction activities, the minimum urban entry is \$5,000,000 and the minimum rural entry is \$1,000,000]
13	Total Project Cost	\$34,111,200	Enter the total cost of the project. This should be equal to the sum of Total Federal Funding and Total Non-Federal Funding.
14	Total Federal Funding	\$24,829,080	Enter the amount of funds committed to the project from ALL federal sources <b>including the proposed BUILD amount</b> . [There is no minimum entry for projects applying strictly for a planning grant; however, for any applications resulting in the completion of construction activities, the minimum urban entry is \$5,000,000 and the minimum rural entry is \$1,000,000]
15	Total Non-Federal Funding	\$9,282,120	Enter the amount of funds committed to the project from non-federal sources.
16	Tribal Government?	No	Select "Yes" from the drop-down menu if the applicant is a federally recognized tribal government.
